

## *Gold*

*Make new Friends  
And hang on to the old,  
One is like silver,  
The other like gold.  
But don't fail to differentiate  
The friend that is not  
Their thoughts will unravel  
A positive plot.  
Be you aware,  
and correctly label.  
The friend who pretends  
to bring gold to your table.*
